IMPORTANT NOTES (PLEASE READ ENCLOSED LETTER)

Accommodation space in school is limited and whilst every attempt to cater for everyone's wishes will be made, the final accommodation plan will be produced so that the risk of turning people away is minimised. Please understand we are making use of school rooms, that all the accommodation involves at least one flight of stairs and some of it is a fair walk from Centre Library.

There are a very small number of large rooms available so if you are booking in a group of 4 or more people, please indicate in the space below those that you wish to be together. If you do not specify separate rooms, it will be assumed that families would prefer to be in one room together where possible.

Please indicate on the form if you require a single room by selecting & paying the Single Room Supplement in addition to your accommodation code. If we have a busy gathering & space is limited then those people who have not paid the single room supplement might find themselves sharing with contemporaries. If you have contemporaries or friends with whom you wish to share a room, please indicate this below.

WE ASK YOU TO SUPPORT THE EASTER WEEKEND AND EAT MEALS IN SCHOOL IF YOU INTEND TO BE AT SCHOOL DURING MEALTIMES. WE REQUEST THAT YOU DO NOT BRING PICNICS OR YOUR OWN MEALS ONTO SCHOOL PREMISES. NOTE THAT MEALS ARE NOW INCLUDED IN THE INCLUSIVE DAY VISITOR CHARGE.

If you wish to attend Easter Gathering but do not wish to stay in school and require local accommodation then please contact the local Tourist Information Office (0345 601 8353)

Please note that we are accepting bookings for tents/caravans again this year but there are no electric hook-ups, no waste facilities or elsan disposal points, and the showers/washrooms/toilets are a short walk from the camping field.

If you are planning to come to Easter as a Day Visitor, you will now need to register in the same way as residents, and there is also now a separate Day Visitor pricing structure.
