News

- **Nursery Sports Afternoon.** We were blessed with beautiful sunshine for our sports afternoon. The children rose to the challenge of our races, including the running, egg and spoon and novelty races. Our Nursery families all enjoyed a lovely picnic lunch. £61.81 was raised for the charity Wooden Spoon, which supports disadvantaged and disabled children through rugby. Thank you for your generosity.
- **Year 6 Eden Camp Visit.** Although the weather was a little on the chilly side, it did not detract from the enjoyment of this wonderful museum. Pupils found much to talk about after visiting each of the old huts at this former WW2 prison camp near Malton. All pupils were affected deeply by the realisation of the horrors of the Holocaust, of the millions of deaths among the forces and civilians and of the terror endured by those in submarines on the Atlantic Ocean. They were also given a taste and, indeed, a smell of 'The Blitz' and saw for themselves the pilotless Doodlebug which terrorised our capital city. Many thanks to the adults who accompanied and supported our Year 6 pupils whose behaviour was splendid. Steve Bontoft (Year 6 History teacher)
